

CURRICULUM VITAE

Jan 2019

YVONNE C.M. JONK

P.O. Box 9300

Portland, ME 04104-9300

Phone: 207-228-8038

Email: yvonne.jonk@maine.edu

EDUCATION

Ph.D., Applied Economics, University of Minnesota, 2000

Doctoral Dissertation: Insuring the Uninsured: An Analysis of the Degree of Risk Aversion and the Demand for Health Insurance in the State of Minnesota

M.S., Agricultural and Resource Economics, Colorado State University, 1990
Graduated with Honors

B.S., Agronomy and Animal Science, North Dakota State University, 1986
Graduated with Honors

AREAS OF SPECIALIZATION

Health Economics, Rural Health, Access to Care, Insurance Coverage, Community/Public Health, Health Services Research & Policy, Statistics and Econometrics

PROFESSIONAL EXPERIENCE

2018-present Associate Research Professor and Deputy Director, Maine Rural Health Research Center (MRHRC), Muskie School of Public Service, University of Southern Maine

Role: manage MRHRC projects and budgets, develop center research applications and project proposals, obtain external grant funding, participate in local and national conference presentations, publish manuscripts in peer reviewed journals.

2016-2018 Assistant Professor, Master of Public Health; Associate Director, Center for Comparative Effectiveness Analytics, Department of Population Health, University of North Dakota (UND) School of Medicine and Health Sciences (SMHS)

Role: teach graduate level courses in health economics and policy, and health care systems, mentor/advise students, serve on thesis committees, provide statistical/methodological support, develop center research applications and project proposals, obtain external grant funding, participate in local and national conference presentations, publish manuscripts in peer reviewed journals.

2014-2015 Assistant Professor, Center for Rural Health, UND SMHS

Role: provide statistical/methodological support, develop center research applications and project proposals, obtain external grant funding, participate in local and national conference presentations, publish manuscripts in peer reviewed journals, teach graduate level courses in health economics and policy.

2015 Consultant, Econometrica

Role: serve as a reviewer for the project: Impact on Medicare Expenditures and Savings, Evaluation of the Community-based Care Transitions Program

- 2013-2016 Consultant, NORC
Role: provide expertise on using the Medicare Current Beneficiary Survey (MCBS) for research purposes, train NORC staff on using the MCBS
- 2013-2014 Senior Research Associate, Research Data Assistance Center, UMN
Role: conduct research and host workshops instructing researchers how to gain access to/use the Centers for Medicare & Medicaid Services (CMS) data files.
- 2009–2014 Senior Research Associate, Rural Health Research Center, UMN
Role: provide statistical/methodological support, perform quantitative data analyses, develop center research applications and project proposals, present at local and national conferences, publish manuscripts in peer reviewed journals, teach courses in health economics and policy to students in multiple disciplines.
- 2011- 2014 Senior Research Associate, Center for Spirituality and Healing, UMN
Role: provide statistical/methodological support to ongoing research projects, collaborate on projects involving quantitative data analyses, program evaluation (e.g. health coaching, mindfulness based stress reduction, nature-based therapies), obtain grant support, publish manuscripts in peer reviewed journals.
- 2007–2012 Consultant/Health Economist, VISN23, Minneapolis VA Medical Center
Project: Program evaluation: Dementia Demonstration Project
Role: provide statistical/methodological support and economic expertise, assist with quantitative data analyses of health outcomes and the utilization and cost of health care services provided by the Department of Veterans Affairs associated with a care management program for patients with dementia, present results at local and national conferences, publish manuscripts in peer reviewed journals.
- 2007–2011 Consultant/Health Economist/Senior Biostatistician, Park Nicollet Institute, Health Research Center, Minneapolis, MN
Role: oversee three masters level statisticians, provide statistical/methodological support to investigators, clinicians, administrative staff, collaborate on quality improvement and research projects, assist with project development/analyses, obtain grant support, and publish manuscripts in peer reviewed journals.
- 2011 Consultant, Riding on Angel's Wings, Felton, MN
Role: assist with the development and submission of operational and research grants demonstrating the program's effectiveness in addressing the physical, emotional, and spiritual needs of youth with physical, cognitive, behavioral, and emotional disabilities through partnerships with equine.
- 2000-2009 Adjunct Assistant Professor, Division of Health Policy and Management, UMN
Role: Developed/taught an undergraduate course on Health Economics and Policy. The course was designed to attract undergraduate and master's level students interested in pursuing a graduate degree in health services research.
- 2000-2007 GS13 Research Scientist/Health Economist, Center for Chronic Disease Outcomes Research, Veterans Affairs Medical Center, Minneapolis, MN.
Role: provide statistical/methodological support to ongoing research projects, collaborate with physicians on projects involving quantitative data and economic analyses, develop center research applications and project proposals, obtain grant support, and publish manuscripts in peer reviewed journals.

- 1999 Consultant, MetroEast Program for Health (currently Portico), St. Paul, MN
Project: Program evaluation: analyzing the effectiveness of a program designed to transition the uninsured onto health insurance in Ramsey County. Funded by the Blue Cross and Blue Shield of Minnesota Foundation.
Role: conduct statistical analysis of administrative claims and survey data; analyze the use of inpatient, outpatient, emergency department, and prescription services; and evaluate health outcomes.
- 1999 Research Analyst, Division of Health Services Research & Policy, School of Public Health, UMN
Project: 1999 Minnesota Health Care Insurance and Access Survey.
Role: assist with project implementation, develop weighting strategy in consultation with UMN Statistics and Health Services Research faculty, conduct data analysis, write final report and publish manuscripts in peer reviewed journals.
- 1997-1998 Statistical/Research Analyst, HealthEast Medical Research Institute, St Paul, MN
Project: Ramsey County Health Care Insurance and Access Survey. Study rates of insurance, access to care, utilization of services, socio-demographic characteristics, and health status of Ramsey County residents.
Role: data base management using Microsoft Access, data analysis using STATA, consult on projects w/in HealthEast Research & Medical Education Dept.
- 1996-1997 Independent Consultant, HealthEast Medical Research Institute, Hennepin County Community Health Dept, St. Paul-Ramsey County Dept of Public Health
Project: Hennepin and Ramsey County Health Care Access Surveys.
Role: assist in project implementation, data base management using Microsoft Access, data analysis using STATA, manuscript preparation.
- 1995-1996 Research Assistant, Division of Health Services Research & Policy, School of Public Health, UMN
Project: 1995 Minnesota Health Care Insurance and Access Survey.
Role: assist in project implementation, supervise research assistants, database management using Microsoft Access, data analysis using SPSS and STATA.
- 1994-1995 Research Assistant, Division of Health Services Research & Policy, School of Public Health, UMN
Project: Managed Health Care Reform and Rural Areas
Role: analyze claims data, compare health care utilization by the managed care and fee for service sectors of the health insurance industry using SPSS.
- 1993-1994 Research Analyst Specialist, Health Economics Division, MN Dept of Health
Project: The Prescription Drug Market in Minnesota
Role: conduct personal as well as telephone interviews to analyze market conditions faced by organizations/businesses involved in the prescription drug market, analyze pricing data for market studies using QPRO, prepare report to the legislature on cost management strategies.

PROFESSIONAL EXPERIENCE (continued)

1991-1993 Research Assistant, Applied Economics Dept, UMN
Project: Consumer preferences for food, safety, and health: market niches, organizational structure, pricing, and policy implications. Funded by the Agricultural Utilization Research Institute and the Minnesota Beef Council.
Role: develop the survey instrument, analyze survey data for market studies using SAS, LIMDEP, and QPRO, manuscript preparation.

TEACHING AND MENTORING

2016-18 Assistant Professor, Master of Public Health, University of ND School of Medicine and Health Sciences. *MPH Graduate Courses:* 510 Health Care Systems; 574 Foundations of Health Economics; 552 Population Health Outcomes; 995 Scholarly Project

2017-18 Faculty lecturer, Medical School Curriculum Blocks 1-3, University of ND School of Medicine and Health Sciences (SMHS): Socioeconomic and Health Disparities

2015-18 Faculty lecturer, Medical School Curriculum Blocks 5-6, University of ND SMHS: Chronic Disease; Health Care Financing and Organization

2015 Assistant Professor, Center for Rural Health, University of ND SMHS. *Graduate Course:* MPH 570 Special Topics: Foundations of Health Economics

2015 Guest Lecturer, MPH 533 Advanced Biostatistics, Health Economics. April 13, 2015.

2012-14 Senior Research Associate, Division of Health Policy and Management, UMN
Undergraduate/Graduate Course: PubH 3801 Health Economics and Policy

2013 Senior Research Associate, Division of Health Policy and Management, UMN
Graduate Course: PubH 6800 Using Medicare Data for Research. Guest Lecturer on Using the Medicare Current Beneficiary Survey, May 10, 2013.

2013 Guest Lecturer, MN Council of Economic Education: Market Failures in Health Care.

2013-14, 2005-06 Lecturer, Research Data Assistance Center, University of Minnesota
Course: CMS 302 Conducting Economic Research Using Medicare Data

2002-08 Adjunct Assistant Professor, Division of Health Policy and Management, UMN
Undergraduate/Graduate Course: PubH 3801 Health Economics and Policy

2005 Guest Lecturer, Microeconomics, Introduction to Business and Economics, Dept of Management and Economics, Hamline University

2003-04 Lecturer, Dept of Healthcare Management, Carlson School of Management, UMN
Graduate Course: Topics in Health Economics

1999 Teaching Specialist, Applied Economics Dept, UMN
Undergraduate Course: Intermediate Microeconomics - Consumers and Markets

1998 Adjunct Instructor, Management and Economics Dept, Hamline University
Undergraduate Courses: First Year Seminar Is Health Care a Right or a Commodity; Intermediate Microeconomics

- 1997 Adjunct Instructor, Management and Economics Dept, Hamline University
Undergraduate Courses: Principles of Microeconomics, Intermediate Microeconomics, and Business Statistics
- 1997 Teaching Assistant, Dept of Applied Economics, UMN
Undergraduate Course: Intermediate Microeconomics - Consumers and Markets
- 1996 Adjunct Instructor, Management and Economics Dept, Hamline University
Undergraduate Course: Introduction to Microeconomics

Masters Students

- 2017-18 UND MPH student advisor for 6 students
2016-17 UND MPH student advisor for 6 students
2004-06 Master's Thesis Advisor for Titilope Adeniyi-Cole, Division of Health Policy and Management, School of Public Health. Thesis: The cost of caring for veterans diagnosed with Hepatitis C. Ms. Adeniyi-Cole was subsequently offered a PhD fellowship.

Doctoral Students

- 2010-13 Informal outside committee member for Tamara Schult's PhD Dissertation, Environmental Health, School of Public Health, UMN. Dissertation: The effects of job-related strains and stressors on mental health symptoms in National Guard veterans returning from Iraq.
- 2009-2010 Committee Member for Louise Winter's Doctor of Nursing Practice Systems Change Project (thesis work) from St. Catherine University, St. Paul, MN. Thesis: Clinician Driven Disparities in the Care of Black/African American Patients with Diabetes: Low Density Lipoproteins in an Urban Clinic.

SERVICE

Grant Reviews

- 2001 Member, Review Panel, Substance Abuse and Mental Health Services Administration (SAMHSA), U.S. Dept of Health and Human Services, Bethesda, MD.
2001 Member, Review Panel, National Center for Complementary and Alternative Medicine (NCCAM), National Institutes of Health (NIH), Bethesda, MD.

Review Boards

- 2018 Reviewer, Rural Interdisciplinary Research Leaders Call for Applications, Robert Wood Johnson Foundation
2018 Member, Review Panel, American Public Health Association Annual Meeting
2016-17 Member, Review Panel, 2017 Health Datapalooza, Academy Health
2013-15 Member, Scientific Review Committee, International Research Congress on Integrative Medicine and Health
2005-07 Reviewer, Data Request Review Board for Medicare Data, VIREC.
2006 Member, Review Panel, 2007 VA Health Services Research National Meeting
2002 Reviewer, Center for Substance Abuse Treatment (CSAT), National Evaluation Data Services (NEDS), Technical Reports.
2001 Member, Review Panel, 2002 VA Health Services Research National Meeting

Committees

| | |
|--------------|---|
| 2019 | Member, Planning Committee, New England Rural Health Conference |
| 2018 | Member, UND SMHS Basic Sciences Medical Curriculum Committee |
| 2018 | Member, UND Grand Challenges Rural Health and Communities |
| 2017 | Chair, Medical Curriculum Committee Health Disparities Task Force, UND SMHS |
| 2016-18 | Curriculum Committee Member, UND Master of Public Health |
| 2016-18 | Admissions Committee Member, UND Master of Public Health |
| 2016-18 | MD/MPH Joint Degree Curriculum Planning Committee Member, UND SMHS |
| 2015 | Communications Committee, UND Center for Rural Health |
| 2015 | Evaluation Faculty Search Committee, UND Center for Rural Health |
| 2009 | Park Nicollet Organizer for Symposium on Medical Home Research Opportunities and Challenges, MN Health Services Research Conference |
| 2008-2009 | Park Nicollet Protocol Development Team, Practice Based Research Workgroup |
| 2007-2009 | Park Nicollet Research Committee, Research Leadership Committee |
| 2001-2009 | Member, Planning Committee, Minnesota Health Services Research Conference, UMN School of Public Health, Minneapolis, MN. |
| 2000-present | Graduate Faculty Committee Member, Health Policy and Management, UMN |
| 2001-2007 | Member, Executive Committee, VA Cooperative Study #498, The Veterans Affairs Open Versus Endovascular Repair (OVER) Trial. |
| 2001-2002 | Member, Planning Committee, VA Cooperative Study, Costs and Effects of Neurogenic Bladder and Bowel Management. |
| 2000-2002 | Member, Planning Committee, VA Cooperative Study #498, The Veterans Affairs Open Versus Endovascular Repair (OVER) Trial for AAA. |
